Message from the Director

The change in the seasons bring a change in our programming. While we move indoors for basketball and volleyball programs, we will have many pleasant days to enjoy our parks and greenways. We are really excited to be adding the Pedestrian Connector to our trail system. This paved trail will connect the Community Center to downtown Clayton and pass underneath Highway 70. Construction on the trail will begin this Fall.

The Community Center Garden continues to expand in scope with the addition of the greenhouse. Garden classes are year round with instructors from the Johnston County Extension Service and the Master Gardener program. Come learn how to grow a variety of fresh food in your back yard! The Garden also provides a lot of volunteer opportunities. If you have a group of adults or youth, or your business would like to offer team building opportunities or community service, the garden offers something all year. Just call the department to schedule.

Some of the great things we have going on is the Halloween Hayride at Community Park on October 23rd and the Halloween Downtown Parade on October 30th. These events are geared for the younger kids. Another great event for the little kids is our Santa's Workshop (Dec 12th) which is held at the Community Center. We will have a variety of crafts available and assistance from the Clayton Youth Council to help!

Start, or continue, a new challenge with our many art and pottery classes for all levels and ages. Try a variety of fitness classes ranging from ZUMBA, a high energy class, to Mature Movers, a low impact workout. There are also Nature Classes for youth to learn about the natural world around them, computer classes, senior trips and the popular Tae Kwon Do and Tai Chi.

Come to Community Park October 6<sup>th</sup> and 7<sup>th</sup> and see senior adults from all over North Carolina compete as we host the NC Senior Games State Finals in bocce and corn hole. You may also volunteer to help judge or keep score.

If there is a program you would like to see offered please contact us. Take advantage of the many recreation programs and facilities and see why Clayton is the *"Premier Community for Active Families."*
